

Our commitment to equality and diversity

Horton Housing is committed to promoting equality, diversity, respect and inclusion. Our aim is for our organisation to be truly representative of all sections of society, for each individual to be treated fairly, to feel respected and be able to be their best.

We are committed to ensuring that our services are appropriate and accessible to the people who need them. We are opposed to all forms of harassment and unlawful discrimination.

We have a Single Equality Scheme which sets out how we will meet the needs of our clients and our equality duties. Every year we publish a Single Equality Scheme Action Plan which sets out our targets and how we will put our commitment to equality and diversity into practice.

We have achieved 'Investors in Diversity' stage 2 accreditation. This demonstrates our commitment to equality, diversity, respect and inclusion in our recruitment, the work that we do and the services we provide.
