

Safety Reminders for Residents

Please smoke outside where possible

Please smoke outside as smoking inside increases the risk of a fire.

Use ashtrays

If you do smoke indoors use a sturdy deep ashtray placed on a non-flammable surface. Never use plant pots, paper bins, or plastic containers.

Fully extinguish cigarettes

Ensure all cigarettes are completely extinguished. Use a cup of water if unsure.

Do not smoke near flammable materials

Avoid smoking near curtains, bedding, or soft furnishings.

Safe disposal

Never dispose of cigarette butts in general waste bins before ensuring they are extinguished.

Disposal of Cigarettes

There are bins provided for cigarette disposal.
Please ask your support worker for more details.

No littering

Please do not flick cigarette butts onto roofs, out of windows balconies or outdoor spaces.

Use the correct ash trays and disposal receptacle. Please do not use something plastic or flammable.
